Sir,

Abkari - Arrack wholesale depot - Coondapoor Taluk - Kollur - closure - Recommended.

******

Messrs. Parry & Co. request permission to close the arrack depot at Kollur in (Coondapoor Taluk) with effect from 1.7.1933 on the ground that the place being unhealthy, they experience great difficulty in securing reliable hands to work it and that the consumption in the depot is very small. Enquiry held in this connection shows that the difficulty expressed by the Company is real. The issues of arrack in this depot during the last three years are given below

	Gallons.
1930-31	249½
1931-32	240
1932-33	221½

They are very small because this depot supplies arrack only to 4 unimportant arrack shops in the neighbourhood. Consequently, a cask is out-turned only once in 2 or 3 months with the result that the liquor loses its strength. The renters of the arrack shops which take their supply of arrack from this depot have no objection to its closure, provided they are paid transport allowances of Rupee one on the first gallon and of annas 8 on every additional gallon got from the neighbouring depot of Baindur. The Company has agreed to this proposal. The Assistant Commissioner

of Excise, Cannanore is in favour of the closure of the depot. As, however, the proposed closure is within the currency of the lease, I request that necessary sanction may be given for it as required under S.O.9 of the Excise Manual Volume II.

Your obedient servant,

For Collector.
